

THE SEARCH FOR EUROPE

This volume is now the eighth in the annual series sponsored by BBVA as part of its OpenMind initiative, which is devoted to disseminating knowledge on key issues of our time.

The Search for Europe analyses the present and future of the old continent and its integration project, surely the most ambitious political and economic integration project ever attempted in history, a benchmark for similar processes in other regions.

The book is divided into three main sections: “The economic foundations of the European project”, “Europe and its nations: Politics, society and culture”, and “The unresolved Limits of Europe and the new global powers”. It features pieces written by international experts such as Javier Solana, Barry Eichengreen, Philip Cooke, Bichara Khader, Vivien Ann Schmidt, John Peet and Thomas Christiansen, among others.
